

# William Howard Taft Lady Raider Soccer

Dear Prospective Player and Parents,

Involvement in athletics often requires personal sacrifice. Time with friends and family, time at work, and leisure time must be sacrificed for a student athlete to achieve success. In Texas, the high school soccer season encompasses parts of both Christmas Break and Spring Break. During the Christmas Break, it is necessary to practice several of the days that we are out of school. During Spring Break, games and practices are both scheduled, for both the Junior Varsity and Varsity teams. We ask that before any player commit to playing for our team, that they first make a commitment to make the sacrifice to be present with their respective team during both Christmas Break and Spring Break. As with any situation involving multiple people, extenuating circumstances frequently arise. If you feel you have an extenuating circumstance that warrants special treatment, please discuss it with the coaches as soon as possible.

**We understand that sacrificing time during both these breaks is not easy, but we feel that it is a necessary to our program, so we ask that any student athletes not able to make the commitment to their team forego playing soccer during this school year.**

Thanks for your understanding in this matter. Should you have any questions, comments, or special circumstances you wish to discuss, please do not hesitate to contact the coaching staff.

## **Pledge:**

\_\_\_I will be in attendance at practices during Christmas Break and at both practices and games during Spring Break.

\_\_\_I will not be in attendance during Christmas Break or Spring Break, and therefore elect to not to try out for the team this year.

\_\_\_I have a special circumstance that I feel warrants special consideration and wish to discuss it with the coaching staff as soon as possible.
